Freddie Mercury And Montserrat Caballe - Barcelona [Special Edition] (2012)

The third special edition of the Mazda6 was released in 2012 as a 2014 model. Seventh generation (2018-present) The seventh generation Mazda6 debuted on May 11, 2018 at the Los Angeles Auto Show and went on sale in the fall of 2018. The new Mazda6 is powered by a front-wheel drive Skyactiv-G 2.5-liter inline-four engine paired with a Skyactiv-MT continuously variable transmission (CVT). Performance The 2.5L Skyactiv-G engine is rated at and of torque, features a turbocharger with direct injection, as well as an intercooler. The engine also features direct injection and dual fuel paths to both air and water. The engine uses a 6-speed manual transmission and a Skyactiv-MT continuously variable transmission (CVT). Unlike the second generation Mazda6, which was based on the second generation Ford Focus, the new Mazda6 is based on the next generation Mazda3 which is itself based on the second generation Mazda 6. The new Mazda6 debuted with a 9.5-inch touch-screen infotainment system, a shift lever instead of traditional stickshift or automatic transmission, as well as a new Mazda Connect infotainment system, a of cargo space, a trunk and a rear seat that reclines into a bed. Like the Mazda3 and Mazda6 of the previous generation, the sixth generation Mazda6 has a standard rearview camera, a blind spot monitoring system, a rear camera mirror, and cruise control. The 7th generation also has blind spot monitoring with rear cross traffic alert and collision avoidance with emergency braking. Safety The new 6 is equipped with optional front and side seat-mounted and head-mounted air bags, two side curtain air bags, front and rear roof rails, front and rear bumper collision warning, front fog lights and LED headlamps. Award-winning Mazda6 The Mazda6 won the 2018 World Car of the Year. . was made by Rhys Thomas in 2012 for inclusion on the recently re-recorded 25th Anniversary 'Barcelona album. This was obviously due to the fact that Barcelona became the capital of Spain on the same day that the album was recorded. In an interview published in Billboard magazine (October 2012), the band stated that the album's music would be "more melancholy" - "more serious, less energetic, less screaming" - than their previous albums. In 2013, the group became the face of an ad for the iPhone 6 and iPhone 6 Plus. The poster shows them walking down the street, overlooking the sea, with phones in their hands. fffad4f19a
