****_Cáceres, Extremadura_**** ****Cáceres**** ****Extremadura**** ****€**** ****Location**** A giant girdle of a city stretching out from the foot of an enormous, sculpted, ring of mountains – Cerro del Espigón and Cerro de las Cuevas, which is topped by a huge monastery, the Monasterio de Santa María la Real, see here, and other smaller, ruined monasteries, the most famous of which is the Monasterio de San Jerónimo, see here. It's arguably the prettiest city in Extremadura, with winding alleys and huge gardens, its _plazuela_ (piazza) surrounded by elegant colonial buildings, and its old town, Mercado Municipal, an arcade of shops and restaurants, full of old-fashioned charm and home to bars and cafés. ****Essential**** Cáceres, Extremadura ****Finding your feet**** From Madrid and/or Salamanca, take the A4/M50 highway to Monforte de Lemos, then take the A45/E40 to Cáceres, then take the A52 to Badajoz. ****Guides**** ****Mr Jacinto**** _Calle Conde de Aranda 28, Badajoz_ ****Murillo**** _Calle Conde de Aranda 8, Badajoz_ ****Sights**** ****Cáceres City**** ****S f3e1b3768c**
