And since the game was very boring for me I found some cheats that would help me make my life easier and that were under my tutorial about saving games Cheat engine not all of the cheats are finished yet but I promise you that when I will finish it and I will add all of the cheats to this post and you will be able to get your goal for example there is a cheat that would give you infinite money or the freedom to skip all of the missions . If you have any problem with anything in my tutorial then you can ask me , I will get the answer in a minute ... , there are many cheats in the save the light but I will tell you how to use them , first let's see how to save the game from steven universe ...,, There are different tools to save the game. You need to enter the menu of the game , it's either through the website or through the Google play . If you use the website the first thing you will see will be the credits , if you don't see the credits, it's because you didn't put the game in read-only mode so you can't see the credits but if you use the Google play the first thing you will see will be the cheats so you can use it to cheat in the game save the light . So to save the game from steven universe, the first thing you will do is to go to the gear button on the right on your keyboard , and you will see the options to lock the game . Locked mode, here you are free to play the game as much as you want but the save the game is locked so you can't save it . First thing to do to unlock the save is to go to the cheats then it will be unlocked , go to the menu again and close the game and you will see the save option , save it then you can save the game .

2. How to Skip the story mission when you have infinite gifts
1. Go to the "1A" chapter
2. In this chapter there is a book and a container which is on top of the empty container
3. Go to the left side of the book and you will see the three
